What to do in case of request of assistance

When applying for assistance under this warranty, the purchaser should contact the retailer from whom the Natuzzi product was purchased and submit the claim complete with the product identification number, as well as the photographs that document the fault or flaw claimed. Please remember that removing the label from the base of the sofa invalidates this warranty.

The retailer will forward the claim to Natuzzi when, upon inspection, it is considered a result of poor manufacturing. Natuzzi S.p.A. will thereafter repair or replace, at its sole option, any part of product determined, if necessary by a Natuzzi representative, to contain manufacturing defects relating to frame construction, leather, mechanisms, mattress, workmanship or cushioning.

We advise the purchaser that softening of cushioning should be expected as a result of normal use and is not to be confused with loss of resiliency due to defects in constructions or materials.

The remedies provided under this warranty shall be the exclusive remedies available for claims of alleged defects in material or workmanship.

Natuzzi S.p.A. makes no other warranties, except as provided herein whether express or implied, unless otherwise provided by applicable laws. This warranty gives purchaser specific rights which may vary from State to State.
